Vito is reporting that our former signee is headed to the Cajuns. So I suppose we'll find out what he could have given us next season.

Meh...I think McCoy and Johnson will prove to be comparable....solid back-up point guards.

I'm curious who may be transferring out of ULL. If, and of course that is a big IF, all of ULL's recruits show (Emmanuel Adeife, Lamar Roberson, Jeremy Barr, Lester Fergeson and Ryan McCoy) it will put them at something like 15 scholarship players. Maybe their 4 greyshirts aren't on scholarship? But they're good enough to transfer for a scholarship...and they wouldn't have to sit out.

If Elijah Milsap, Chris Gradnigo or Travis Bureau want to leave...JJ needs to free up a scholarship.

Preferrably Knox's
