This guy played 24 minutes and got off 41 three pointers? Out of all the impossible to imagine things in this game, that is the one that stands out to me.

<http://sports.espn.go.com/ncb/news/story?id=2683783>

North Texas needs 5 guys like this!! Well, according to someone, all we need is more 3 pointers.

That is a crazy story.
