3 Days till tip off...

I saw Calvin is ineligible - that will really hurt depth in the post. From the few interviews I've seen on pre-season outlook, just sounds like a more enthusiastic, energetic, and talented bunch.

I would expect a 20-30 point win over TWU... hope she doesn't ruin the relationship and run the score up too much. Will be a good chance to work out the kinks and have some game film to work with.
