
North Carolina defeated by Va Tech

So now Florida, Ohio State(in one poll), UCLA, and UNC have all gone down as #1's. I figure the Gators will take back the mantle in both polls on Monday after crushing South Carolina.

I really felt like Ohio State would stick around. Obviously, that is wrong (for now). Without a doubt Florida is crazy good though.

I still think the Bruins are the kind of squad that wins come March. I know #1's are really hit and miss when it comes to winning the Big Dance(something like 50%), but it really seems to me that it's gonna be UNC, Florida, or UCLA.

UNC has the most talent.

Florida has the experience.

UCLA plays the best defense.
