
Uniforms

Everyone's favorite topic...uniforms.

I want to be different, but nothing busy or outlandish. I would rather keep it old school.

Maroon and white colors.

So what are some of yalls favorite styles, or any ideas on some uniforms that fit what I want?

I wish you could have heard this topic on The Ticket this morning. There is some list that was published where cities were ranked by Pro sports unis. The criteria was you had to have at least 3 pro sports teams in your city (NFL,NHL,NBA,MLB).

#1 was Boston

Dallas was #17 I think.

Are we talking bball?

The above 2 styles keep a cool factor, without going overboard. For the top - I prefer a more classic look, as long as it matches the shorts.

By the way, I LOVE the new mens shorts. I wish I could get a pair.
