
Experiences at The Pit

I was gonna ask everyone to write their favorite game at The Pit, but I couldn't come up with just one game. I can remember us beating A\$M in '99 or so. I can also remember a great game against LALA in 2002 that was shown on Fox Sports SW. A good crowd and a good game.

I know I am forgetting some. Anyone else?

La-La in 2002 was great. In my time as a student, there wasn't a better atmosphere in the Super Pit.
