
Jalie Mitchell

Posted by Aaron - 2006/07/24 21:11

Jalie could shoot, score off the dribble, and run the court.

And if that isn't enough for you...

<http://img.photobucket.com/albums/v298/switzers/jalie.jpg>

This is why I never missed a game when she was playing.

Thought this would make an appropriate first post for the women's hoops board.

Wow. Where did you find that picture? I wonder if she still is with the Texas Tycoons? I think Chris Davis is there still.
